

# Cookbooks are here!

The long-awaited Saratoga PTO Cookbooks have arrived! We appreciate your patience as we worked through issues and delays with the publisher. All pre-ordered cookbooks are currently being sorted and distributed to the classrooms. Your child should bring home your cookbooks by the end of the month – please watch his/her backpack!

We would like to extend a gracious thank you to everyone who so generously submitted recipes. A special thank you is also extended to all of the students who participated in the cookbook art contest. There were so many great entries to choose from! Drawings from the following students are proudly displayed on the cover and section divider pages of the book.

- Tricia S.                                      Samantha C.                                      Craig P.                                      Alex L.
- Yesenia C.                                      Yadi                                      Rachel W.                                      Mackenzie O.
- Jocelyn Ann C.                                      Lydia A.                                      Ryan S.
